

Dunkeswell Parish Council

Changes to the monthly Planning meeting...

At the meeting in September the following was agreed by full Council -

In the event that no planning applications are received for consideration and comment by the Friday before the planning meeting (2nd Monday of the month), then this meeting will be cancelled and only a Full council meeting will be held on the 3rd Monday of the month.

Any Planning applications received between this meeting being cancelled and the full meeting on the 3rd Monday of the month, will be considered at the Full Council meeting.

If and when the planning meeting is cancelled, the clerk will advertise this on Website, Facebook & Twitter.

If you plan to attend and speak at any planning meeting please check with the clerk that the meeting will be going ahead
